★ U. S. Marshals " 15 Most Wanted " Fugitive Trevor Damaurn Woods Arrested ★
Alleged Armed Robbery Suspect Apprehended During a Bank Robbery
At the PNC Bank at 8425 Vine, in Cincinnati, Ohio.

The Marshals Service alleged armed robber and probation violator and "15 Most Wanted", fugitive **Trevor Damaurn WOODS** was arrested today in Cincinnati, during a bank robbery. **WOODS** along with two other accomplices, entered the PNC Bank at 8425 Vine, in Cincinnati, Ohio, armed and masked at 10:26am. There were seven customers inside the bank at the time. The three suspects held a gun to one employee's head and then fled the bank with approximately \$ 56,000. Officers from the Springfield Township Police Department and the Cincinnati Police Department were quickly in pursuit of the vehicle used to get away by the robbery suspects. The three subjects crashed their vehicle near Lester and Douglas Road. Upon leaving the vehicle one suspect with body armor in hand, fired shots at the officers. Officers returned fire at that point. Two subjects then surrendered and a third was arrested a short distance away. There were no reported injuries.

WOODS is now in the custody of the Springfield Township Police Department for - Attempted Murder, Felonious Assault, Bank Robbery, with Federal charges pending. **WOODS** told an officer at the scene " Your about to be promoted, I am one of the U. S. Marshals 15 most wanted." The other two subjects are yet to be identified.

Ironically, the U.S. Marshals Service Los Angeles Regional Fugitive Task Force was in Cincinnati with officers on the trail of **WOODS**, along with Deputy U.S. Marshals from the Cincinnati office. The Marshals Service was looking for **WOODS** for a Supervised Release warrant out of Tulsa, Oklahoma Federal Court from a narcotics trafficking offense but also for two Los Angeles County area warrants for armed robbery. **WOODS is wanted in Beverly Hills and Culver City, California for a series of nearly 100 armed robberies, that include female victims and nail salons, during the past two years.**

Woods has an extensive criminal history with convictions for assault, weapons offenses, narcotic possession and distribution, and other offenses.

U.S. Marshal James Wahlrab summed things up very well when he stated today: "Considering the dangerous nature of these individuals, we're all just thankful that no one was hurt. This is another example of successful law enforcement cooperation." The Greater Cincinnati area is as a whole very thankful these dangerous men have been apprehended.
